ÉLEVAGE

Elevage is proud to be the exclusive representatives, in California, of some of the world's most intriguing and sought-after wines. We are proud to partner with the following importers and wineries.

The Rare Wine Co. is one of America's most respected agents for fine wine in the US. In addition to being specialists in sourcing impeccably cellared examples of the world's greatest and most sought-after wines, they represent some of the finest wines of Europe for exclusive distribution in California. The Rare Wine Co. was founded in 1989 by Mannie Berk. In 2002, a panel of wine journalists and wine trade leaders voted them the Best Wine Importer in America, as part of Food & Wine magazine's American Wine Awards. And in both 2002 and 2004, Mannie was named a Wine Personality of the Year by Robert Parker's Wine Advocate.

Diamond Wine Importers was founded in 1992 by Ted Diamantis out of the belief that Greece, with its natural terroir of mountain vineyards, maritime influenced climate, volcanic and alluvial soils, and over 200 ancient indigenous varieties, can once again become a source of some of the greatest wines in the world. Over the last 30 years of tasting and traveling throughout Greece, they have compiled a portfolio of the best artisan, vineyard-driven producers who are working with the best native varietals from the best appellations. They only focus on producers and growers who are fully committed to quality and sustainability from vine to bottle.

The Mad Rose Group is a family-run organization that is composed of a close-knit group of people who understand that wine is an agricultural product and that in its best and purest form wine must reflect a specific sense of place. They share the goal of communicating this concept to a growing audience by presenting the finest examples of wine made in the classical western European tradition. They import wines curated by Neal Rosenthal, founder of Rosenthal Wine Merchant and are proud of their more than forty-year history. They are dedicated to presenting the most pure expressions of terroir from the vineyards of France, Italy, Switzerland, Catalonia and Austria.

Producer Highlight: Sylvain Morey - From Burgundy to Luberon. New Releases!

Sylvain's family has a centuries old wine-growing history in Chassagne-Montrachet that goes back 400 years. Today, he produces Chassagne blanc and rouge from a handful of small, family-owned parcels, out of the same, mold-filled cellar in which his father worked. He has also worked for the past three decades establishing his own domaine in Luberon, over 439 kilometers South of Burgundy. The wines here are fresh, pure and mineral driven. They are easily digestible and fine, without excess. The new releases are extremely pleasing and worth a look.
